

CONSUMER PRODUCT POLICY

Photo Bake Shop® appreciates your interest in our outstanding personalized treats and party favors. The products shown on our website are sold by our independently owned licensees and are subject to the terms of our Product Policy below.

PRODUCTS

We endeavor to display as accurately as possible the products available for sale by our licensees. Our licensees are fully equipped and trained to provide you with outstanding quality in personalized edible treats of all kinds. Our licensees are independently owned businesses and they are responsible for offering selected pastry products that are made fresh in an inspected, regulated environment. They are responsible for compliance with their state for their business operations. Licensees have been trained by Photo Bake Shop® in edible printing and packaging technology using the art of food color printing. All products are individually wrapped for appearance to protect them in shipping and carefully packaged to eliminate breakage.

ORDER CHANGES

You may request a change to your order at any time before your order leaves the Photo Bake Shop® and our licensees will do their best to accommodate your request. However, if custom printing has already taken place, we will be unable to change your order. To cancel your order, please call the appropriate Photo Bake Shop® where your order has been placed. Please note that if your order has already been custom made or shipped, our licensees may be unable to cancel your order.

By ordering products from Photo Bake Shop®, you authorize Photo Bake Shop® licensees to charge your credit card for the applicable fees. Payment is due in advance due to customization.
